

Instructor: Elsa

Please be Scent Free!

**MACHINE:** bring In good working order plus: manual, all regular tools & accessories, & all your optional feet (you never know!)

**basic supplies** include: good stitch ripper, fabric scissors, thread snips, washaway marker, **glass head pins only please\***, Schmetz universal needles, measuring tape & any “can’t do withouts”

**Personal:** pen and pencil, (opt: water bottle),

*Please arrive 5—10 min. before to set up, and allow for 15 min cleanup  
Let us know ahead if you need special seating*

**Instructor’s Special Preparation Notes**  
Do not worry if you don’t have all the garments suggested. You will learn a lot seeing other people’s repair needs. Or you could bring practice fabric.

You will need a *good* stitch ripper, get one from our selection please.

## Class Supplies List for a Hands-on Class

**Class Name: Make it Fit Right (int. level)**  
**Date Nov 26 1-4  
or Dec 3 6-9**

**Class Description**

You bought, you can get it on, but it doesn’t fit right. Let’s fix that. Learn how to adjust the waistband, or taper the pants, or get a bit of bag out of the seat, or...try a new style hem. So this is **alter to fit**, but more than a repair!

**Fabrics to bring:**  
A garment needing waistband adjustment or  
a garment needing a size down or  
a garment needing a new fancy hem or  
a garment needing a patch or mend

**Accessories to bring**  
Appropriate feet\*,

**Notions to bring**  
Threads for the above garments\*  
Needles for the fabric\*

\* *can be purchased at class—we thank you for your business*
