

Class Supplies List for a Hands-on Class

Class Name: Machine 101

Prerequisite:

To do before class

-

Please bring to class:

- Machine *in good working order*
- manual,
- Foot control and cord!!!
- all reg. accessories, tools, bobbins, and all your optional feet (you never know) **no need to bring the embroidery unit**
- scissors
- pen and pencil, (opt: water bottle)

Please arrive 5—10 min. before to set up

Thank you for coming fragrance-free!☺

Class Description:

This is the first Owners' Machine Mystery to Mastery class, where you will learn Machine Care, and how to have immediate success with the Basic Stitches (some you did not have or use on your older machine). Learn about needles, threading options, proper bobbin winding, testing tension, and more. You will be able to avoid needle breakage, thread jams and tension issues, and really "bond" with your machine! Begin a Journal.
Kit included.

Accessories & notions & fabrics to bring

**=can be purchased at class—we thank you for your business*

- Guterman Cotton Sewing thread*, pastel colour
- See note at left for what else to bring

NOTE

We may postpone the class,
for insufficient enrolment *one week before class.*
So enroll on time!

If you have an in-store registration slip,
we will call you
in case of postponement.

If you have registered online
within the last few days before class,
please call ahead to confirm,
so you have a seat set aside for you!

NOTES

*** Please bring only brands we support and carry in order to ensure success with the class project.

Threads: Sulky, Robison Anton, Gutermann cotton thread

Stabilizers: Sulky, America Sews, Inspira, Floriani

Needles: Schmetz
